Good morning,

Our local crime stoppers line recently received a tip regarding a [REDACTED] teenager. The tipster reported that the girl's name [REDACTED] was listed on a flight log (spelled [REDACTED] on the flight log) for one of Epstein's planes [REDACTED] flying from SAF to ZOR. The pilot was listed as [REDACTED]. My suspicion is that [REDACTED], but I am trying to help our local Sheriff's office run it down. Can you tell me if you have spoken to [REDACTED]

Thank you,

[REDACTED]
