Hi team,

Attached is a new version of Part I. There are a couple of comment bubbles I'm hoping you'll check for accuracy, and then you should take a look at the section on MV-4 (p. 11), which I've adjusted in light of my conversation with [REDACTED].

I talked to [REDACTED] about Part II. He said to expect minimal edits, except he thinks we should make the Prior Consistents section a short standalone section. I'm going to draft that now and then circulate.

Hi [REDACTED],

Attached is a draft of Part I of the reply brief, regarding the issue of pseudonyms. We are editing Part II (of II), which responds to the remaining issues.

Thanks,
