He said no problem to delay a day or two, that's a courtesy they generally offer to families, and to have defense counsel contact him directly. He was incredibly professional and helpful.

Dr. [REDACTED]

I'm one of the prosecutors at the Southern District of New York who has been working on the Jeffrey Epstein case and we have a time sensitive question — with apologies for the Saturday night email, could I please ask you to call me this evening if at all possible? I am reachable any time, including until late tonight. My cell is [REDACTED]

Thank you very much,
