Subject: RE: Information for Mark

I tried to give you information in the previous email. I even mentioned the names of two of your brother's killers. I am a senior member of the police force and this can reassure you. My information is categorized. In the coming days, you will see that the pressure and threats against you will increase. Some people are trying to take you to court. My information is completely reliable. This information includes the confession file of the prison guards, as well as a report on the cooperation of government members and prosecutors. Did you see the email I sent you from the police email?
