Good morning ██████████,

In light of Epstein's suicide, I will need to send up an update today.

Just wanted to also add updated information on the search warrant. Was the SW sworn out yesterday?

Any other updates you would like to include, please let me know.

Thank you,
██████████

Re Epstein, For case updates on Monday, please have CAC-HT provide a update about the SW status and interviews. As part of this information, please have CAC-HT (to the best of their ability) provide an updated timeline for their time on site (e.g. - will it be 24 hours or 36 hours, etc).

Thank you
