Hi [REDACTED],

From a financial standpoint it shouldn't be a problem at all. All we need is a good cost estimate to run up the chain for approval. As far as traveling goes...as long as your division SAC and IOD approve then you will be good to go. I will be leaving the unit soon and [REDACTED] (cc'd) will be taking over next week. Be sure to include her on the cost estimate email. Let us know if you need anything else.

Take care,

Subject: International Travel Question and Request

Hey [REDACTED],

I wanted to reach out about traveling internationally. [REDACTED] and I, along with 2 AUSAs from SDNY were hoping to travel to London back in March to interview an important witness in the Epstein/Maxwell investigation, but due to Covid that was not possible. We spoke with her briefly today via video and she is not comfortable talking at length unless it is in person. What is the possibility of getting approval to travel within the next month or so? Separately, I understand we would also have to get IOD approval?

Happy to chat via phone too if you have time.

Thanks,

[REDACTED]
