So I had a long conversation with [REDACTED]. She was brought to Epstein when she was 16 and said her life hasn't been the same since. She was in WPB but is currently in [REDACTED]. Long story. [REDACTED] and would like some resources. [REDACTED], I mentioned that I'd touch base with you to call her and get her connected with a VS out there. That's also before I knew that she had called [REDACTED].
