

June 7, 2021 [REDACTED] prep

AUSA [REDACTED]

SA [REDACTED]

Det [REDACTED]

- Showed [REDACTED] video from October 20, 2005 PBPB SW of JE PB residence.
 - [REDACTED] remembers the warrant being read to an employee at the house
 - [REDACTED] remembers being in every part of the house and remembers that about 80% of the photographs in the house depicted females
 - [REDACTED] remembers that it was obvious to him that there were computers missing from the house
 - [REDACTED] believes he waited outside while [REDACTED] filmed the walkthrough video
 - [REDACTED] does not distinctly remember every single bedroom in the Palm Beach house, but he remembers going into the massage room
 - The water in the back of the property is the Intercoastal
 - [REDACTED] remembers searching the building where an employee (believe named [REDACTED] lived. [REDACTED] recalls finding personal photographs of the employee and his wife. [REDACTED] left those photographs behind because they were clearly of the employee and his wife. This apartment is visible in the video at about 41:00
- Showed [REDACTED] photographs from October 20, 2005 PBPB SW of JE PB residence
 - [REDACTED] cannot recall specifically which pieces of evidence he seized
 - The message pads in the photographs look like the message pads that [REDACTED] remembers finding and seizing. [REDACTED] cannot specifically identify each message pad as one he seized.
 - [REDACTED] remembers seizing Item #24 Twin Torpedoes
- Showed [REDACTED] the physical message pads from FBI custody
 - [REDACTED] confirmed these message pads look like the ones he saw and seized during the search, but he cannot specifically confirm that these are the same ones he saw and seized
