Today, we interviewed Omar DeLeon, who was in L-tier. We also interviewed Angel Arroyo, in K-tier. Notes attached.

We have three outstanding inmate proffers - can you please let us know if these dates work for you?:

- Johnny Contreras - His attorneys want 9/3 at 10. He was in the cell across from Epstein. He is charged with 4 MS-13 murders and will not be a cooperator but wants to provide us with information.
- Santos-Felix - we are trying to set up a proffer for Wednesday, 8/28.
- Rayshaun Jones - we are trying to set up a proffer for Thursday, 8/29.

We do not intend to interview the other inmates in L tier.

[REDACTED] and [REDACTED] -

We previously interviewed inmates who were in L Tier with Epstein when the incident happened (Leonardo

Fernandez - cell 218, Cristopher Santos Felix - cell 213, and Edward Jimenez - cell 215). Are we planning to interview the other inmates who were in the other L Tier cells as well?

Thanks -
