Welcome back.

I'm getting an estimate on fixing my car from my accident the other week this AM and I'll be in HVRA afterwards for [REDACTED] going away lunch.

We have a SW tomorrow in Queens at a subjects residence on a trafficking case. The subject is in Atlanta FO AOR and is getting arrested down there tomorrow at the same time as our SW execution. [REDACTED] and TFO [REDACTED] are in Atlanta to participate. I will send Ops Order later today.

The Epstein team had a conference call with SAC [REDACTED] last week and Legat London and some UK officials to de conflict our separate investigations and generally discuss the status of our case.

I'm available via cell if you need me.
