National Issues

- Jeffrey Epstein: OPA – TMZ reached out asking for clarification about Jeffrey Epstein’s private island. OPA confirmed that the FBI cleared the island on Monday night and returned control of it back to Epstein’s estate, and the FBI no longer has a presence on the island. OPA also stated that anyone trespassing on the island in the future would be subject to local intervention, not the FBI.

Local Stories

- Boston/New York – Several outlets sought to confirm that FBI agents were looking for Jeffrey Epstein’s confidant, Ghislaine Maxwell, in the town of Manchester-by-the-Sea in Massachusetts. Division coordinated with NYFO and PAO declined comment.
