Thank you [REDACTED]
Yes we/NYO would like a copy of what was provided to ODAG.
I think for continuity purpose of what is being requested by DOJ, and provided to DOJ, should be maintained and tracked for accountability purposes.

Thank you!

[REDACTED]

FYSA – ODAG, via OCA, requested IMD assistance in enhancing contrast on digitized Epstein flight logs to promote greater legibility of handwriting. We processed these today and sent back to DOJ via teleporter.

Ensuring you have visibility and awareness. If you would like a copy of the material provided, A/DAD [REDACTED] will coordinate teleporter delivery.
