Description: (Rec'd from OLA via email) Ltr from RMM Durbin, Judiciary Comte, writing regarding the unsigned 07/07/2025 memorandum from the DOJ and the FBI regarding the Trump Administration's "exhaustive review of investigative holdings relating to Jeffrey Epstein." Given the serious questions about the veracity of public statements regarding the Epstein-related records in DOJ's possession and the effect those questions are having on the public's ability to trust DOJ's 07/07/2025 finding that there is "no incriminating 'client list,'" ltr requests listed information and materials NLT 08/01/2025.
