RE: Medical Examiner case number M19019432

Dear Commissioner [REDACTED],

In an effort to sufficiently investigate the death concerning Jeffrey Epstein on August 10, 2019, investigators from the FBI/NYPD Joint Violent Crimes Task Force are requesting copies of any reports created and photographs taken during the crime scene investigation by members of the Office of the Chief Medical Examiner (OCME). This would include the 3D digital scan of the cell in which Epstein was being held.

Your assistance in this matter is greatly appreciated.

Sincerely,

[REDACTED]  
Special Agent in Charge  
Criminal Division
