Hi [REDACTED],

If you'd be willing to interview the owner to gain information about what employees go to the island, when they go, routine, etc. to clean his place that would be very helpful. If the owner would be willing to provide the names of the employees for us to interview or touch base to see what they've witnessed; that would be helpful. If there's any additional information that comes from it that we could follow up on, that would be great.

Feel free to give me a call if you'd like to chat.

Thanks,

[REDACTED]

Hello Again,

I received an email from the United States Attorney's Office, USVI. One of the AUSA's in the VI uses the same cleaning company as Epstein. According to the AUSA, the company has a contract with Epstein and goes to his private island in the USVI to routinely to clean his place.

Would you all like us to interview the business owner or would you prefer we get the person's information from the AUSA and pass it along.

Respectfully,

[REDACTED]
