Hi Nick.

Thank you for your email. This is always the best way to get me. I am hardly ever at my desk, but always have my blackberry on me.

As to your question, I will not be able to help you. We cannot comment, confirm or deny the existence of any investigation or on our intention to open or close a matter.

Sorry
Thanks

Dear [REDACTED],

I work for the Mail on Sunday newspaper in London, England. The Mail on Sunday last week published an interview with [REDACTED] about her time working for Jeffrey Epstein. We plan to publish more revelations this week.

I have been led to believe that the FBI is interested in pursuing the allegations published in the Mail on Sunday - and that Epstein may have committed offences not covered by the non prosecution agreement.

Can you give me any guidance as to whether my information is correct?

You may contact me by email or on [REDACTED].
