Brad and I are preparing to file today in the Eleventh Circuit a motion to dismiss Epstein's frivolous interlocutory appeal, for reasons outline in our opposition to his motion to stay.

What is your position on this motion? We understand you are conferring with Washington DOJ, and hope that they will agree that expansion of the Perlman doctrine is clearly not in the Government's interest.

Thanks for providing us whatever information you can as soon as you can.

Brad Edwards and Paul Cassell for Jane Doe #1 and Jane Doe #2
