Sounds good. I will ask and we will see what we get back. Thanks.

Sorry. I've been driving for what seems like almost all of the last 2 days, and today has spent moving into the dorm and buying supplies and other college stuff.

I would try to go for 8 weeks. I don't think we've really done almost anything on their motion yet, and I'm concerned that 6 weeks may be too short for both the response and our own cross-motion, especially given the extensive facts to which we will have to respond.

I may be worrying too much. I don't know.

How about 6 weeks from today, which is 9/30, or the following Monday, 10/3. They can pick their response date, and then we get 3 weeks for a reply?
