Hi Brad – Hope you are well. I apologize for not getting you the revised settlement agreement. I was in training and finishing my brief all last week. The brief finally got filed today so I am turning back to our case tomorrow first thing.

I just wanted to confirm a time and location for our meeting on Thursday. I can come to your office or I can reserve a conference room at the USAO in Ft Lauderdale. Just let me know your preference and a meeting time. I have the whole day set aside for this case, so you can pick any time that works for you.

Thank you.
