[REDACTED] was interviewed twice [REDACTED] she didn't want to talk to us. [REDACTED] she did.

I have an extra copy of [REDACTED]'s interview. I'm out of town tomorrow. Are you meeting with anyone else from our office in the next couple of days?

I know this will make you crazy but -

Can you tell me when [REDACTED] was interviewed?

Can I get another copy of [REDACTED]'s interview? And do we have a transcript of that interview? (I had to give the DVD to [REDACTED]'s lawyer before I was able to copy it for myself)

Sorry!
