Thank you! I'm going to try back at the Marriott near the USAO on Monday, but if nothing comes through, I would appreciate the lift. (They couldn't specify that any event is going on, so I think that they are just holding rooms.) I'll catch a cab to the USAO directly from the airport on Monday, since my flight doesn't land until 11:45.

I live in Jupiter, so I can give you a lift.

No rooms available at the govt. rate. The closets Marriott at the govt/ rate is 17 miles away in Jupiter. The Hilton also does not have a government rate. Nor does the Hampton. I'm going to see if I can get permission to pay market rate, but I won't know until Monday. Either way, I'm still coming, I may just have to rent a car and drive from Jupiter.

Not that I know of. The Marriott is right down the street from our office.

Is something going on in West Palm Beach on Wednesday? I'm having a little trouble finding a room at Govt. Per Diem.

Hi [REDACTED] – I am going to be out on Tuesday, but will be back late Tuesday night. Are we still on for Wednesday and Thursday? And here is the updated summary chart for your review.

Any word on the meeting with Alice?
