[REDACTED] - Just one question about paragraph 10 – which is the reference to the [REDACTED] policy. I now remember why that was added. That was Alex's suggestion in one of the previous versions. I am going to try to combine all of the thoughts in one paragraph, and can you look at it before it goes out? It should be ready in about 15 minutes.

[REDACTED], I think Alex's changes are all good ones. Please try to incorporate his suggestions, change the signature block to your name and send as final to Jay. Thanks.
