**Subject:** trust renaming

Hi Scott and Lyle,

There was a renaming of the Angara Trust, which required the creation of a new EIN for tax purposes.

Is there a good time when I could give you a call over the next couple of days or early next week to give you the EIN over the phone?

Angara's assets will need to be moved over to this new entity, otherwise everything else stays the same. This isn't time urgent and so no rush, just a paperwork drill.

Thank you,  
Scott
