Hi Scott,

This is the paperwork to moved the Millennium investment to the new trust. You can disregard the packages you already received. We're prefilling the required paperwork and will reach out to you once the package is ready.

Thank you,  
Juliana

**Subject:** [External] AlphaKeys Millennium Fund transfer paperwork

Hi Lyle and Juliana,

We received two large, hard copy packages of transfer paperwork for Millennium - PPM, investor application, assignment form, and disclosure statements.

Am I correct to assume this is just the hard copy paper following the signature pages which I had already electronically sent to you and I can just disregard?

Thanks,  
sgb
