Important information about your UBS credit card

Lost or stolen card. Your credit card is issued by UBS Bank USA. If your card is lost or stolen, please contact us immediately at any time at 1-888-762-1232 for the UBS Visa Infinite credit card or 1-800-762-1000 for the UBS Visa Signature credit card. You will not be liable for any unauthorized use that occurs after you notify us. You may, however, be liable for unauthorized use that occurs before your notice to us. In any case, your liability will not exceed \$50.

Payment Information. Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead." This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to UBS Card Services.

Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned. When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, please call 1-888-762-1232 for the UBS Visa Infinite credit card or 1-800-762-1000 for the UBS Visa Signature credit card.

Mailed Payments. A conforming payment received by us by 5:00 p.m. Central time will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement to UBS Bank USA - Card Services, P.O. Box 203219, Dallas, TX 75320-3210 and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be considered a "non-conforming payment," which may delay the crediting of the payment for up to 5 days. We can accept late payments, partial payments, checks and money orders marked "Paid in Full" or language having the same effect without losing any of our rights under this Agreement and such payments may be sent to the following address: UBS Bank USA - Card Services, P.O. Box 203219, Dallas, TX, 75320-3210.

billing period if you pay the Statement Balance on the current billing statement by the Payment Due Date in the current billing period, and (2) we will credit any payment applied toward Purchases as of the first day in your current billing period if you make a payment by the Payment Due Date in the current billing period that is less than the Statement Balance. If a Statement Balance was shown on your previous billing statement and you did not pay the Statement Balance by the Payment Due Date on that statement, then we will not impose Interest Charges on any Purchases during the current billing period if you pay the Statement Balance shown on the current billing statement by the Payment Due Date in the current billing period. For Cash Advances, interest will accrue from the day you take the Cash Advance.

How we will calculate your balance subject to interest rate.

We use a method called "daily balance" (including new purchases). To determine the amount of interest to be charged on your Account, we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate or the DPR (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers, and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). Your Cardmember Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit bureau reports and disputes. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report. If you believe that an entry we have made on your credit report is inaccurate or incomplete, please contact the credit bureau directly or contact us at UBS Bank USA, Card Operations Division, 315 Deaderick Street, 5th Floor, Nashville, TN 37238. We will request your name; your account number; the credit bureau where you received the credit report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and, if warranted, send an update to the credit bureaus within 30 days.

What to do if you think you find an error on your statement

If you think there is an error on your statement, please write to us at:

UBS Bank USA - Card Operations Division
315 Deaderick Street, 5th Floor
Nashville, TN 37238

In your letter, give us the following information:

- **Account information:** your name and account number
- **Dollar amount:** the dollar amount of the suspected error
- **Description of problem:** if you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your rights if you are dissatisfied with your credit card purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with Cash Advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

UBS Bank USA - Disputes Department
P.O. Box 84040
Columbus, GA 31908

While we investigate, the same rules apply to the disputed amount as referenced above in the section covering errors on your statement. After we finish our investigation, we will notify you of our decision. At that point, if we think you owe an amount and you do not pay that amount, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.
