Home Address

Police officer in SUV in church parking lot

The Bald guy (we talked about last time)
I was the special one to go
see him

GM called me ... and said special friend thing so
and ^{she} said he would like my body type
+ the message happened

~ before I had my first child when
I met JE...

I had been to JE's house
many times before I met
the Bald man ..

She GM said it was a special man.

She called me first

said he was a very important client/
friend of hers

She called my cell
asked for me

said I would make extra \$ for
giving him massage

She said my body type would
best fit his needs

(because I was a mirror w/
big breasts)

She felt I would be the right girl for the job

I didn't know about the intercourse part

I felt @ Plattnerd

I got paid \$800

I was ~ 15

on I agreed
that night He flew in
the next day I got
like up in a town car
GM sent me a package from NY
w/ lingerie (VC) all from, always from VC
white, pink, had bras in it
w/ dif underwear

GM wanted me to wear red Bra...
I had to have my make-up on + look nice
Town car picked me up (lived in "west gate" Shawnee
Suwanee 37)

was living w/ her mother
never seen the driver before (Yang - possibly French speaking)

went to w/ B house
chef in kitchen
GM came out of her office
was very nice to me
kissed me on cheek
said in gowns make, a lot of \$
This is good trial of our
It's gonna be o.k. this will be
I saw a house keeper in the house also easy

- I went upstairs then + set up
message tables
- Picked out lotion / oil
a man came out of steam Rm w/ towel on
only

he dropped it and got on massage table

went on stomach
I ask "oil or lotion"
he wants oil
I give deep tissue
Back + Butts

GM comes up -- asks I for everything
is ok -- bring in towel --
I was Naked ...

She (GM) tells me to go upstairs first
to massage and get fully nude (as
I've been doing as I normally do)

She tells me this in the kitchen
area -- as we were walking up the stairs...
"Matie sure our friend was a really good time"

I was nude before he came out
of steam Rm ...

GM came in when I was
messing his back... made
small talk w/ man asked if
everything's going ok... she's out
of our best..

This was the 3rd time I was made
in front of GM..

1-2nd time was w/ JE - 2nd time
GM fondles my breasts..

After GM leaves Man asks CA asks
to climb on table to mess his
chest and before she knew
it they were having sex

after it ended man says he wants to
see her again..
They talk on phone from JE's house
but she never sees him again

after massage CA goes into bathroom
and scrubs herself w/ paper towels..
gets dressed + goes downstairs

GM says she will be happy from her soon
& \$400 was left out in message RM for CA..
GM gives \$150 to CA as tip from
a drawer from computer for letter

Man gives CA \$400 Tip in
massage room

GM says I did good and can
massage more of their friends in
the future

one other man / month or 2 later
GM had me massage
tall (unk name) Tom, athletic

SK^{GM} says don't mention your age
Just give ~~you~~ the massage and
leave your Bra under wear on

I was confused because I normally get
naked + have sexual encounters w/ them

SK was upstairs when I went up in massage room

\$ was on the table in man gave me \$ off
of the table in was $\hat{=}$ \$600

first time GM saw me nude she said I had a nice
figure... She walked me upstairs... There was girls in
hallway... went into sauna bathroom of JC's w/ GM
GM was Refracting lotions + I got nude

There was a couple of pictures of Gem
nude + pregnant so they might have a kid

CA's 16 yo son's VR ~~met her~~ biological father was friends w/
her BF... Tony... who was
one day and she asked me
if i wanted to make some
fast money... She was about 17

VR was w/ her the first time I went
to PB house... we met there
together 1 or 2 more times... she
was in charge fun w/ me

VR didn't really talk about her experience w/ Gem
+ JE
The massages w/ VR + JE were sexual
