met GM @ 17yo (in Paris) lobby of Hotel  
- Remember being @ friends 20<sup>th</sup> Bday  
party around that time  
Robert was @ school w/ her @ Oxford

Harlen-Pelto willing to talk about case -- was  
friends w/ G.M.

I stayed in one of JE's Apts  
JE said no men in Apts.  
GM tried to get me BF, introduces  
me to Harlen  
Not sure how old I  
was when met H.P.  
~18

GM tells me about JE... he helps people...  
Was really gonna like you...  
Few months later she calls and says JE  
is in town... come meet him

AD goes there (GM's home in London)  
JE is on phone... ignores her a bit  
GM talks AD up  
GM show JE how strong you hands are  
My first message of JE turned sexual  
He had erection, he puts my  
hand on it

he says its natural. You not  
Scared are you?

GM was outside Km during this  
asked me how did it go  
did you have fun, did you like it?  
I had sense she knew what went on  
Everything was sexual w/ her  
she calls his penis his "willie"  
after first incident

"Anyone just give him a blow job  
im just so exhausted"

She would giggle + joke about it  
"us girls have to stick together"

GM sent a handbag as gift for  
her 18 B-day

Note says "all our love, Jeffrey +  
Guilvine"

GM introduces me to Michael Garland, to date

GM tells MG that she met  
her when she was 17 yo

Remember GM saying this as a

Selling point TO MG to date  
met MG around 20

Traveled to visit JE + GM several times  
They paid for trips or not sure  
if that was prior to 18

2 sexual encounters w/ JE were  
prior to 18  
school girl outfit

in wfb  
first or second day; then  
went to my Rm

outfit was on my bed  
GM put it there  
acted as if i didn't know  
GM says it would be fun for  
you to wear that to bring him  
his tea

"Naughty, little school girl"  
GM refers to movie "Saint Trinians"  
have some fun

I put on Reluctantly

Brought him his tea in outfit

his Trainer was there (i felt  
felt i had to or then self conscious  
would make me laugh)

he dismisses the trainer

went into RM w/ massage bed

he reached under my skirt and

started touching me

GM tells me after this "I heard  
you did well"

Referring to that incident

after my 18th B-day

I put  
Tea  
down

There were several incidents of  
sexual contact during this week  
long trip to w PB  
forced intercourse @ one point  
tells me GM will be mad  
if she finds out

on Beach w/ GM + JE @ one point  
and JE puts his hands  
down both of our Breasts

A D. was there @ one point, wanted  
me to sunbath topless

GM would talk about how nice  
my Breasts were  
"Cute little perky Breasts"  
When I was topless.. she would  
touch, flirt my Breasts

GM + JE talked about wanting to have a  
baby during this trip (not together)  
JE asks AD if she wants to do  
this w/ him

GM says You or someone like you because  
you are getting too old (was 18-19  
@ this time)

GM would say SE need sex  
3-4 Times a day  
Whatever we would do to make him  
happy... you know these things  
(This was early on in knowing them)

other girls + engaged therapists started  
coming often

Went w/ them to island around 2010  
was going through divorce w/ my  
husband

SE tells me to come here  
+ work for him

was more than just massages

he would throw ~~at~~ @ me

had panic attacks breakfast after laundry  
+ heading back to NY or Plano

it was degrading -- he became insecure  
~~remember~~ Virginia <sup>Remembers me</sup> being there

GM would ask me towards end about  
sexual things w/ SE... Reports

did you give him "Blue Job"

she would get mad if answer

was no... "I have to do everything"

was on Island for  $\approx$  2 weeks <sup>"go on well"</sup>

GM would call every 3-4 months after this to try to get me back  
did not see him for long time after this

GM paid me in London for SE's  
first message ... This was  
2<sup>nd</sup> time I met him  
\$150 lbs ... She tells me prior  
to incident I would be paid  
"Did you like it... Did he like it"

I knew by this comment  
that she knew what happened.

JE tells AD that her ro + allowed  
to have full sex w/ anyone...  
"That's our deal" Referring to GM

GM + JE would often give \$ to go shopping

GM would always ask me about my  
sex life, or who im sleeping w/  
I was shy about telling her

GM cried to me once about her father  
She wanted to give me to SE but was  
nervous

I met Trump @ a party w/ GM ...  
GM tells Trump this is who I  
was telling you about

GM asks me if I know anyone  
to give JE a message of Blows  
we need it ~~now~~ now  
- has making my life hell  
"You know what he likes?"

→ Young Blonde Girls  
(To my knowledge)  
he had lots of Pictures of  
Naked young women...  
Near his office in WPB

GM sets up ~~message~~ muttins in morning perfect  
and says for JE  
everything from muttins, to messages  
to the girls everything  
needs to be perfect  
JE would tell me he knew how to  
kill people  
hard to say no to someone when  
they tell you  
that

GM would get \$ from G JE  
knew [redacted] were w/ him  
but I don't specifically remember her

GM + Leslie + [redacted] would book my travel  
was not on his plane - was separate flight

I looked really young when I was 17-18

Allen Davidson (Photographer in London)  
may have photos of me + GM  
from parties/weddings/events

GM would call after after to "check in"  
but then ask me to come see them

Leslie would call and say JE would like  
to talk to you ... he would  
be connected ... ask about my  
career ... ask me to come visit

After the fact I would not bring up  
the abuse w/ them

Sometimes  
E-mails

met him in Paris around when I  
was 31 YO (may have been last  
time I've seen him)

met him in NY sometime prior to  
this ... went to his place ...  
asked me how I've been, who are you  
fucking ... it good ... are you cheating on me ...  
he would grab me

he emailed me from jail ---  
would request I send him pictures

Received Threatening phone call from unknown male  
when I was assisting Brad Edwards  
w/ [REDACTED] lawsuit
