Subject: schedule and a request

Date: Wed, 05 Oct 2016 23:31:40 +0000

hello Lesley,

We will arrive this coming tuesday in the evening (October 11) and stay till sunday, October 16 evening.

We will be back on thursday, October 20 till tuesday, October 25.

Coming back on friday, October 28 till tuesday, November 1.

Again coming on saturday, November 12 till friday, November 18.

a bit of coming and going..

I have a request: please let the lobby know that I am waiting for a package via USPS (a professional flute). The USPS announce that it will arrive tomorrow 6 or after tomorrow the 7th. They may ask for a signature - please ask them to sign and hold it for me. I have long ago told them that I count on them and they can sign. Otherwise we have problems in "chasing" or trying to track the goods.

thanks a lot,

Nili
