Jeffrey,

1) top allergist to test you for aspirin allergy: Sebastian Lighvani, MD [REDACTED] Wait at least 2 weeks until after-effects of current reaction die down

2) Let me know which time works best for Thursday: best for me 3:30 or 4:00 but also OK at 8:00 AM or noon. Ideally her staff would connect with mine to fill out my health information forms before coming to save some history-taking time. But OK if she doesn't want to do this and prefers to do directly with me. I'd like 90 minutes with her, for her to budget her time: less is doable but not ideal.

Thx,
Woody
