The Hermes watch face is on backorder through out the US. The Hermes faces are all identical...it is the band that is different on them.. I did find a box set that states 'pick up in store on Nov. 8th', but am told it could come in sooner and to keep checking...deliveries arrive every day and they never know what is actually in the shipments until they are opened. I can place the order for this box set available Nov. 8th in store and just keep checking.

The Hermes watch band will fit on a regular Apple watch but it will not say 'Hermes Paris' on the face of the watch.

Shall I place an order for the Hermes box set that states it is due to arrive Nov 8th and continue to check if it comes in sooner?

The Apple watch with Hermes Band is not in stock anywhere in NY (I checked CT near me, not in stock there either) The Apple Hermes Watch comes as a set. In the box you receive the watch, a red (rose) leather single tour band, a orange sport band, charger and power adapter. It will take 5-7 weeks to ship to us. The specific band she wants, the Etoupe Swift Leather Single Tour band is in stock and available to pick up from the 5th Ave. store today.

I can keep checking all the stores in NY and CT every day and if the box set comes in, I can cancel the order I place on line.

Do you wish me to place an online order for the Apple Hermes set today and have [REDACTED] go pick up the extra band i order from the 5th Ave. store today?
