Also,

I don't recommend them coming Thursday since it will be raining all day. One day of help is plenty, of course, but if they'd like to come both please let me know. But I will admit that shooting in the rain is a horrible experience.

Lauren, [REDACTED] would like to come as well tomorrow! Is it possible? What time do you think filming will wrap up? She has class at 2:30pm...also, did you need the girls help on Thursday 29th?

Hi ladies,

I will make sure to keep you updated! Apologies for the wide range in hours. That's unfortunately how moviemaking works; you won't know your call time until the night before!

You can always text or call me at [REDACTED] I will not be at Coney Island until 8-9am with Mr. Allen, unfortunately. When you arrive at the ford amphitheater, make sure to ask for Mike Brown and he can help make sure you get taken care of. Let them know your Woody's guests.

Hi [REDACTED] .I have just passed along your email addresses and cell numbers to Lauren Cheung, Woody's assistant (I have her cc'd here). She will be sending you something so she can set you up with their 'background actors network'... You need to report to the Ford Amphitheater at 3052 w 21st st sometime between 4-7am!! The call time is to be announced... so perhaps go to bed early tonight... Hoping Lauren will be able to provide us with your accurate time of arrival shortly...Keep an eye out for an email!

Thanks, Lesley
