Hello All. I have just been informed we have no TV in apt. 3M. We have a guest who arrived today and is staying until Oct. 18th. We need to do some reorganizing..

-Tess, can we please clean up apt. 11P and have Isabella move there today? I believe this is where Jeffrey wanted her anyway

-Can we clean 7J and move Yoni and his wife there so they have a TV for their stay. They also need an extra set of towels because there are 2 of them ...Let me know once the cleaning is done and I can let Yoni know they can move to 7J

-Rich/Bella, can we order a TV and get cable for apt. 3M prior to Oct. 9th when we will have a new guest come and stay there? Merwin perhaps you can help in the set up and coordinate w/Rich/Bella

Please get back to me! thanks, Lesley
