def. will not leave welcome note...yes, my thoughts and prayers are with Lyn...I can't stop thinking about her...I visited her last week in the hospital and we chatted for over 2.5 hours... went thru all the emotions and just let her talk...her biggest concern is her work...making sure Jeffrey is taken care of, etc...she told me she wants to retire when she is [REDACTED]...she is [REDACTED] now...if you could stop by and say hello you would make her day i'm sure...ugh...
