I went to visit [REDACTED] tonight. She was very happy to have company and seemed fairly upbeat considering she was in pain. [REDACTED] help her deal with the pain. In some conversations she was fearful of what is to come yet in other conversations she said she wants to only work until age 68 (she is currently 62). Lynn mentioned that the team of doctors have a meeting Wednesday to formulate a treatment plan. I have attached her diagnosis along with her oncologist (Jeffrey you may already have this info). She was hoping Eva could be part of meeting or at least speak with doctor manish shah whose card is attached.
