HI Erik...just following up...Jeffrey will be up at Harvard the week of Sept. 18th along with Ehud Barak...he is wondering if Stephen might like to come meet Ehud...Might Stephen be around this week and interested?

Also, I know I passed along Jeffrey's email address to you (jeevacation@gmail.com) and possibly Stephen has been in touch himself(?) not sure...but Jeffrey was asking if he could send some pictures of the meeting they recently had with Noam Chomsky to him...could Jeffrey have an address to send them to? Or maybe you prefer I send them to you and you send them to Stephen?

Please get back to me...appreciate it!

Thanks,
Lesley
