Hi Lyn...I know today is test day...I am thinking about you and wishing you the best!!!...be strong as I know you are. Your digital picture frame should arrive today to 71st! I asked Leo and Jojo to watch out for it and bring it to you...hoping Jojo will be able to add your pictures easily to it...I think he should..

Oh Lyn, just hate all of this for you truly...but you are strong and strong willed...keep your positive attitude that you posses all the time! You amaze me!!

We are all thinking about sweet Lyn today!!! xoxox, [REDACTED]
