Hey [REDACTED],

I need to futz with the 6th floor network again (eero support has assigned an escalation tech to run advanced tests to figure out why the network isn't coming back online after TWC goes down and comes back up). Is Wednesday AM okay for me to stop by?

Greetings James,

JE returned to New York yesterday, 8/5. How long he is there I am not sure.

Kind regards, Daphne

Hi Daphne,

[REDACTED] working with support on an outstanding issue with the 6th floor wireless & have to fiddle with it some more.

Is Jeffrey in NYC next week? If so, I'll hold off on these tests to not disrupt him.

Thank you,
