Hi.

Just got to the apt & no one is here. Chatting with the security in the hall.

Should I wait for Merwin to arrive to install whatever he needs to install in the bedroom?

Thank you,

Hi Lesley,

Merwin tells me that restarting the modem did NOT help their internet in the bedroom.

I'm still available to go to 11J tomorrow or Monday (10-4), Tuesday 10-6, etc. I do need to stop by 71st to get the BaseStations from the basement before, tho (Merwin says no one is @ the house tomorrow).

Thank you,

All we need to exchange is cable box not the modem. You can pick up a new box with out account and return the existing after. You will need to have account info and your ID.

Thank you,
Bella

Can we get a new box and return the existing one later (the same day)?

TWC opened a new office in my neighborhood so I could pick up the new modem on my way and return the old ones after -- we wouldn't have to ask Jojo to disconnect the existing equipment ahead of time.

Thank you,
