I'm not needed for switching the cable tv box (modem yes; tv no).

If they're not satisfied with the wifi in the bedroom after reboot, then I'll need to install the airports.

Thank you,

it did reset the signal. I saw it on my computer.

now I unplugged (I'll do it now whenever I come back) and we shall see if it is satisfactory in the bedroom as well.

thanks a lot,

Nili

On the phone with TWC support. Modem is working continuously for 129 days w/o unplugging the power cord. TWC reset signal. Suggested once a month unplug and plug back in the modem, as device needs to power cycle. Lesley, please communicate to Nill.
