Hi Lesley,

[REDACTED] tells me that restarting the modem did NOT help their internet in the bedroom.

I'm still available to go to 11J tomorrow or Monday (10-4), Tuesday 10-6, etc. I do need to stop by 71st to get the BaseStations from the basement before, tho ([REDACTED] says no one is @ the house tomorrow).

Thank you,

All we need to exchange is cable box not the modem. You can pick up a new box with out account and return the existing after. You will need to have account info and your ID.

Thank you,

Can we get a new box and return the existing one later (the same day)?

TWC opened a new office in my neighborhood so I could pick up the new modem on my way and return the old ones after -- we wouldn't have to ask Jojo to disconnect the existing equipment ahead of time.
