Hi

One person coming is mainly vegetarian

I dislike condiments, so if Sandwiches are ordered I prefer one without any ;)

Besides that I am unsure .. I don't know the diet preferences of everyone coming ... I will see the group at 10:30 and can tell you any additional restrictions i find out then ...

Thanks
Ben

Good morning Ben. jeffrey would like to have some food today for the meeting. He is asking if there are any vegans or dietary restrictions we should know about. Please advise as early as possible. Thanks, [REDACTED]
