Hi [REDACTED],

Thanks for writing. Leon and Jeffrey have also been in touch this week, and Leon let Jeffrey know that he has to stay up at Bard as opening night of the opera is this Friday, so there are rehearsals every day before. He had asked Jeffrey if he would like to attend. There is a dress rehearsal tomorrow evening, and, as I mentioned, opening night on the 22nd. I have also attached a link of the entire summer program.

Hope all is well.

Catherine

Hi Catherine...Jeffrey will be in NY this Wed, Thurs and Fri...I have several appointments for him already but might Leon be in the city some? I have the below available at the moment:

Wed. between 2:30-4:30

Thurs: after 4pm on

But I have lots more to schedule in (and some are doctor appointments, so I will have to take what I get type thing!)... let me know when you can!
