---

10:30 tomorrow would be fine, please let me know where he wants to meet and whether he wants to sit down and talk someplace or perhaps walk around research labs - I could show him some contraptions, cells and embryos. It's gonna be raining I think.

my cell phone is 617 699 7147, but I am in meetings for the rest of the days - can only do "text/SMS"

Oh my Leon!! Jeffrey does not have plans to move up toward Cape Cod over the next few days...but Jeffrey does make trips up to Harvard quite often...if this Sat. proves to be a bit difficult with your father's 95th birthday! (WOW) we could always wait for next time! This being said...if you wanted to meet early at 10:30am Jeffrey could do that! Then perhaps it would give you your entire afternoon and evening? Really it is up to you!

very sorry I just realized I was not very clear in my message ...

I will **gladly do** Saturday in Cambridge/Boston if this is the only option, but in case Jeff is moving towards Cape Cod or staying around Boston for a few days, I would mildly prefer a different option

In full disclosure I would prefer another day since Saturday is my dad's 95th birthday and my family is in Woods Hole for the summer where I also do some research at the Marine Biological Laboratory.

I realize Jeff is very busy and wouldn't even mention this, but I thought he might be passing by Woods Hole on his way to Martha's Vineyard or some such.

Hi Lesley

Yes, Misha mentioned Jeffrey to me, I'd love to meet. What time would work and where. I am at Harvard Medical school, which is in Boston Longwood Medical Area, roughly same location as George Church, in case Jeffrey would want to see some science toys. Alternatively I am happy to make a trip to Cambridge.

Good morning Mr. Peshkin. I am Jeffrey Epstein's assistant, Lesley. Jeffrey will be making a trip up to Cambridge this Saturday, July 9th. Misha Gromov had suggested the two of you would enjoy meeting each other. Might you be around Harvard tomorrow and available to meet with Jeffrey?

Please let me know...

Thank you,  
Lesley  
Assistant to Jeffrey Epstein
