The first week the shows are 8:30pm with two on the weekend and the second week one a night at 9:30. Just found out I only do 10-12 minutes which is great for me!! As far as the other comics on the bill I think JE should love at least two of them. There are two others also doing 10/12 minutes and the guy closing Brad Williams is hysterical. It can get pretty raunchy but I think that's what makes it great!!!
