Good, then what about Monday 23 or Tues 24 at 5pm British time?

I have free calls to US landlines, so could easily call you if you are on a landline. Anyway my numbers are as below.

Good.

This weekend not free - but what about next week? I assume that we are 5hrs apart. Late afternoon is a good time for me, most days, say 5 pm, which would I think be noon your time.

Or if you are a morning person, then earlier in the day could work for me too depending on the day.

So just let me know what kinds of times work best for you.

Dear Jeffrey,

Yes, John Brockman used to be my agent. Indeed I think I was his first British client and introduced him to several other people in the UK, which lead to him becoming one of the main agents for science writers

not only in the US but also in Britain.

I don't do Skype. I'm sorry to be so elusive! But we could talk on the phone.

Did you discuss alternative energy possibilities like LENR at the meeting at MIT when you were discussing 'taboo' science?

Best wishes

Rupert

Dear Jeffrey,

I'm not planning a visit to the States this year. I and my family spend the summer on a remote island in British Columbia, but we fly straight there and I don't have any spare days to come earlier via Harvard. But I'm sure we'll find a way of meeting sooner or later.

Best wishes

Rupert
