If you do not want or need your apt cleaned please let [redacted] and [redacted] know as soon as possible week of. We are hoping to stay on this schedule but if a guest apt is in need of cleaning or Jeffrey is in town and [redacted] and [redacted] are needed at the house this schedule may need to be tweaked. All efforts will be made to get all of your apartments cleaned on Wednesdays. Please, every Tuesday if you have a preference on when your apt is cleaned on wed (morning, afternoon) email [redacted] to let her know. She will do her best to accommodate. Thanks so much everyone for your help! [redacted]
