Re an apt for Chomsky May 27-31. Jack Goldberger will be in one of our available apts during this time. The other apt is available for Chomsky however [REDACTED] [REDACTED] returns to NY on May 31. I need to find out when the Chomsky's will depart the apt and when [REDACTED] will arrive. We need a window of opportunity to clean. [REDACTED] may have to wait to "check in" or get a hotel for one night.
