Yay! I just got back from a bachelorette party in Dominican Republic last night - but I heard the sun finally came out yesterday for Mother's Day so I'm glad you got to enjoy it with some sunshine!

Haha, yea - boys don't care about that stuff - I truly believe they have competitions of who can get dirtier than the other lol

And yes, I totally agree that it's MUCH easier (and you save on travel) working from home and the set-up is not that great for you =(but we miss having you here! Hopefully we will get to see you soon =)

Well glad to hear you can't complain! Things are good with me too...had a nice mothers day :) Was happy to see the sun again! it was getting depressing! We had our big carnival come to town and it was a slop fest!

Thank goodness Ty and his buddies could have cared less! I just wanted them to take off their shoes and clothes before entering the rest of the house!

You know Bebe...it is so nice working from home and now that Jeffrey is completely cool with it, it is hard for me to want to trek it in ...I do love coming to the city however and maybe one of these days when I can combine a doctor appt or some other task with coming in I will...! The set up is not completely great anymore for me, but I am soooooo happy it is MUCH BETTER for you and Bella. that is what is important! I am happy I have a desk there ...nice to know I still have a little home...but...anyway, we will see. Maybe if JE lets me go early one day I could pop over also...

do you have any trips planned?
