Subject: Apartment for [REDACTED] until End of 2016?
Date: Tue, 26 Apr 2016 16:12:09 +0000

[REDACTED] is asking if it might be possible to use an apartment until the end of the year, while the renovations on their apartment are completed. We have [REDACTED] brother April 30-May 9...and Jack Goldberger May 29-June 2. We have no other guests booked for an apt after June 2. If we let [REDACTED] have 7J or 10B we would be down to only one guest apt available until the new year (unless [REDACTED] really does go home, then we have studio apt 8A...or if [REDACTED] moves out at some point we would have 11B back...Please advise if you would like to give [REDACTED] an apt until the end of the year *or until when? [REDACTED] could take 7J or 10B (but I know Karyna likes 7J for her parents)

7J:
8A: [REDACTED] (until June 15, or longer?)
10B:
11B: [REDACTED] (not sure how long she is to stay)
11J: Ehud
