the best price for tix to Houston is on Delta and they are still \$890.80 direct. Lower price if she connects ...the price did happen to go down today on the United flights she chose to \$930.20 (from the \$999.20 yesterday). Even if she takes a connecting flight the price only drops to \$824.25. If she planned in advance the price would probably be less...but this is 2 days away...(?)

Do I cancel the flights I have booked for her? I can still void them today with no charge or penalty
